SIP-46 - Scala CLI -> scala

16 september 2022

SIP-46 - Use Scala CLI to implement the 'scala' command

- ▶ Some highlights from discussions and SIP updates:
  - ▶ Backward compatibility with old `scala`
  - ▶ Motivation in relation to alternatives
- ▶ My recommendation: accept
- ▶ Remaining issues:
  - ▶ Magic comments or 'real' specifications?
  - ▶ New test-dir convention?
